#### CR-05 - Goals and Outcomes

### Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The Consolidated Annual Performance and Evaluation Report (CAPER) provides data on the amount and use of housing and community development funds received from the U. S. Department of Housing and Urban Development (HUD) by the State of Arkansas during the program year, July 1, 2021, through June 30, 2022. The investment of housing and community development resources administered by the State of Arkansas is guided by the Five-Year Consolidated Plan published on June 4, 2020. The state develops and publishes an Annual Update to the Consolidated Plan for directing its federally funded housing and community development programs during the upcoming year, and each year the state publishes the CAPER for the preceding program year. The State's Consolidated Plan Committee oversees the long range and annual planning process. The Consolidated Plan Agency Board consists of representatives of the Arkansas Economic Development Commission (AEDC), the Arkansas Development Finance Authority (ADFA), the Arkansas Department of Health (ADH), and Arkansas Department of Human Services (DHS).

For progress made by CDBG, see the narrative sections below Table 1.

Note: Shelter Homeless (homelessness prevention), reflects the total homeless person assisted in day and overnight shelters.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Table 1 - Accomplishments - Program Year & Strategic Plan to Date

Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The Strategic Plan for 2020 laid out the direction the state intended to take in the distribution of CDBG, HOME, ESG, HOPWA, and HTF funding for five years. The priorities listed were determined through consultation with service providers and consideration of a community survey that was conducted in the development of the Consolidated Plan. Some of the activities included will be targeted to individual households who qualify for the programs according to their income status (individual benefit). Other programs are directed toward particular areas within Arkansas where the median incomes of the census tracts involved are below 80 percent of the area median income (area benefit).

It should be noted that many of the CDBG projects funded with 2020 program funds are still ongoing, and actual accomplishment may not yet be realized. Typically, the State documents accomplishment for CDBG activities when the projects are completed

The State's progress towards addressing the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified, is detailed throughout this document, and below, specifically as it relates to CDBG:

#### **Economic Development (Eco Dev)**

In Program Year 2021 the State of Arkansas will identify and fund projects which lead to employment opportunities for the citizens of Arkansas. The state will provide approximately \$8,835,000 in 2021 to cities and counties to fund eligible economic development activities, primarily grants, for the improvement of public infrastructure related to the location or expansion of industry in the state, and to capitalize loans that benefit

businesses and industries that are locating or expanding in Arkansas. These grants will provide job opportunities to an estimated 250 persons. At least 51% of all new jobs created or retained by these projects will be held by or made available to persons with household incomes below 80% of the area median income.

#### **Actual Accomplishments (Eco Dev)**

As of June 30, 2022, the state had awarded one and committed to awarding one additional economic development projects for a total of \$5,498,200. These projects will improve economic opportunities for approximately 237 Arkansans through the improved access to job opportunities. Approximately 51% of the new jobs created by these projects will be made available to persons of low- to moderate-income.

Grantee Created (Planned):	Project Type	Project Status	Grant Total	Jobs
City Of Searcy	Equipment	Executed	\$5,018,200	142
City Of Camden	Equipment	Committed	\$ 240,000	45
City Of Russellville	Equipment	Committed	\$ 258,500	50

#### General Assistance for Public Facilities and Infrastructure (Fac/Infra)

Within the Public and Community Facilities and Infrastructure Priority Need, CDBG funds will be utilized for public facilities and public works projects. Within this Program CDBG funds will be utilized for and will generally be made available under the LMI Area Benefit or LMI Limited Clientele or Presumed Benefit National Objective measures. Funds are awarded for: residential water and wastewater; senior centers; child care centers; public health facilities; youth centers; accredited public libraries; removal of architectural barriers from city halls or county courthouses for accessibility; street, curb, gutter, sidewalk, or storm sewer; flood control and drainage; and, other public facility or infrastructure project determined to be a high priority, and not eligible to be funded under another CDBG program. For the 2021 Program Year, AEDC is considering funding public facility and public infrastructure projects with an anticipated \$7,640,823 in CDBG resources. The award amount is based on beneficiary data of the project area as well as the feasibility and need for the project. An estimated 5,000 persons will benefit from these activities. Note that additional funds may be provided for this line item in the future through the de-obligation of unused funds from other line items, or from de-obligated funds from previous funding years.

#### Actual Accomplishments (Fac/Infra)

As of June 30, 2022, the state had funded twenty (20) grants totaling \$5,448,141 to benefit an estimated 26,189 persons.

Grantee	Project Type	<b>Grant Total</b>	Persons Benefitting

City Of Ashdown	Drainage	\$321,530.00	279
City Of Ash Flat	Street/Road	\$264,437.00	1082

#### Fire Protection and Community Centers for Rural Communities (Fire Prot)

Within the Public and Community Facilities and Fire Equipment Priority Need, CDBG funds will be utilized for community center, fire station, multi-purpose center, and fire truck and fire-fighting equipment projects. CDBG funds will be utilized for and made available under the LMI-Area Benefit National Objective measures. In Program Year 2021, the State of Arkansas, in partnership with the AEDC Division of Rural Services, planned to provide \$1,000,000 to fund the construction, expansion or renovation of Community Centers and Fire Stations or Multi-Purpose Centers, and for the purchase of fire trucks and fire protection equipment in cities and unincorporated rural areas with a population of less than 3,000 persons. These centers will provide meeting areas and will provide enhanced fire protection to an estimated 5,000 persons, more than 51% of whom will have incomes below 80% of the area median income.

#### **Actual Accomplishments (Fire Prot)**

As of June 30, 2022, the State had executed seven (7) grant agreements for fire protection projects and community center projects totaling \$474,564. These projects will enhance a suitable living environment for approximately 13,446 rural Arkansans through the improved access to Community Centers, and through the availability of affordable fire protection services.

Grantee	Project Type	<b>Grant Total</b>	Persons Benefitting
City Of Winslow	Community Center	\$58,626.00	426
Town Of St. Paul	Fire Protection	\$75,000.00	112
City Of Salem	Fire Protection	\$52,901.00	1910
Town Of Pindall	Fire Protection	\$63,742.00	112
Nevada County	Community Center	\$75,000.00	8997
City Of Lewisville	Community Center	\$74,295.00	1280
City Of Huntington	Fire Protection	\$75,000.00	609

#### **Emergency Urgent Need**

Additionally, within the Public and Community Facilities, and Infrastructure Priority Need, CDBG funds will be used to assist local units of government with situations that pose a serious and immediate threat to public health, safety, or welfare. Priority is given to those projects that are meeting the Urgent Need national objective criteria but could qualify under LMI Benefit Area or Limited Clientele. For water and wastewater funding, AEDC will be able to identify those areas that meet a CDBG National Objective and target those projects that are impacting the safety of our citizens. Through a collaborative effort with other funding agencies, AEDC is better able to leverage federal and state grant resources in order to obtain maximum impact. An estimated 1,000 people will benefit from these public infrastructure and public facility emergency/urgent need projects.

#### Actual Accomplishments (Emergency/Urgent Need)

As of June 30, 2022, the state had not awarded an Emergency/Urgent Need Project.

#### CDBG-CV

The Coronavirus Aid, Relief and Economic Security Act (CARES Act) (Public Law 116-136) makes available supplemental Community Development Block Grant (CDBG), Emergency Shelter Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) funding for grants to prevent, prepare for, and respond to the coronavirus pandemic. Additionally, the CARES Act provides grantees with flexibilities that make it easier to use CARES Act and fiscal years 2019 and 2020 funds for coronavirus response and authorizes HUD to grant waivers and alternative requirements. The State of Arkansas received \$26,387,954 in Rounds 1, 2 and 3 grant funds from HUD to be amended into the 2019 Annual Plan. CDBG-CV funding is reserved for use in preventing, preparing for and/or responding to the outbreak of coronavirus in Arkansas. As with all CDBG program dollars, funding must also primarily address the unique needs of low- and moderate-income persons (i.e., less than 80% area median income), and 70% of the funds must be used to meet this National Objective, benefit to LMI persons. Other projects may qualify under Urgent Need.

#### **CDBG-CV: Public Services and Public Facilities**

An amount equal to the CDBG-CV1 Allocation (\$10,818,424) along with a dedicated homeless shelter set-aside of \$1,400,000 was made available to and set-aside for non-entitlement units of general local government through a competitive application process, for a variety of public services and public facility activities determined by those non-entitlement governments to be unmet needs, which directly prevent, prepare for, and respond to the coronavirus pandemic. Usage of the first allocation of funds include availability of funding to units of local government (UGLGs) for public services (e.g., meals on wheels programs, employment training, assistance to food banks, health services, etc.), and public facilities, and direct assistance to microbusinesses. As of June 30, 2022, AEDC had announced 33 funding recommendations for public facility/public facility projects to non-entitlement local governments, totaling \$7,911,546, expected to benefit 175,615 persons.

#### **CDBG-CV: Food Assistance**

CDBG-CV funds in the amount of \$4.68 million will be made available, through a partnership and Subaward Agreement with the Arkansas Hunger Relief Alliance (the Alliance), the only statewide antihunger organization in our state. The Alliance works with the six Feeding America food banks, hundreds of food pantries, school districts, senior centers, out of school programs, companies, and elected officials. The Alliance works in multiple ways: securing food for food banks, serving as lead partner for the No Kid Hungry campaign, assisting with SNAP outreach, teaching low-income families how to shop and cook healthy on a budget, and advocating for food policies to help those they serve. As of June 30, 2022, \$5,402,000 had been awarded to the Alliance.

#### **CDBG-CV: Rental Assistance**

This proposal is designed to support Arkansas Community Action Agencies to provide short-term rent assistance to individuals and families in Arkansas who are experiencing housing instability, as well as landlords who are experiencing a loss of revenues due to the economic impact of the COVID-19 pandemic and the temporary halt by the CDC on residential evictions to help prevent further spread of the virus. CDBG-CV funds in the amount of \$5.76 million in partnership through a Subaward Agreement to the Arkansas Community Action Agencies Association (ACAAA), to provide the payment of actual rent (up to FMRV) for up to 2.5 months. This set-aside is designed to support the provision of short-term rental assistance to individuals and families statewide who are experiencing housing instability, as well as landlords who are experiencing loss of revenues due to the economic impact of the COVID-19 pandemic and the temporary halt by the CDC on residential evictions to help prevent further spread of the virus. This proposal includes implementation of the Arkansas Fresh Start COVID-19 Housing Stabilization Program by the statewide network of Arkansas Community Action Agencies, with program and communications support, and training and technical assistance to be provided by the Arkansas Community Action Agencies Association. The State also provided an additional \$4.24 million in

Coronavirus Relief Funds (CRF) funding to the program, bringing the total expected program funding up to \$10 million. As of June 30, 2022, AEDC had awarded 15 rental assistance projects, totaling \$5,485,000, expected to benefit 3,659 persons.

#### **CDBG-CV: Microenterprise Assistance**

Up to \$2,410,133 will be made available in a set-aside for non-entitlement local governments to apply for activities to provide assistance to microenterprises (5 or fewer employees, including owner). This set-aside will be included in the above CDBG-CV Public Services and Public Facilities, competitive round. As of June 30, 2022, AEDC had not awarded any funds for microenterprise assistance.

#### **ESG-CV**

ESG-CV funding is reserved for use in preventing, preparing for and/or responding to the outbreak of coronavirus in Arkansas. The components of ESG-CV funding are Emergency Shelter, Rapid Re-Housing, Street Outreach, Homeless Management Information System (HMIS), and Administration. The components for Round 1 (\$7,808,010) and Round 2 (\$15,978,848) are the same. Funds from Rounds 1 and 2 were amended into the 2019 Annual Plan.

**NOTE:** \$4,375,896.91 in unused funds from Round 2 was recaptured by HUD, thus reducing the grants allocation to \$11,602,951.09.

#### **HOPWA-CV**

The State of Arkansas HOPWA program received \$133,620 in grant funds from HUD and were amended into the 2019 Annual Plan. HOPWA-CV funding will be allocated to ADH HOPWA project sponsor (NARAN) to assist with housing needs, utilities, supportive services and other allowable activities that have been provisioned under the CARES Act statewide as follows: Assisting HOPWA eligible households in accessing essential services and supplies such as food, water, medications, medical care, and information; Educating assisted households on ways to reduce the risk of getting sick or spreading infectious diseases such as COVID-19 to others; Providing transportation services for eligible households, including costs for privatelyowned vehicle transportation when needed, to access medical care, supplies, and food or to commute to places of employment; Providing nutrition services for eligible households in the form of food banks, groceries, and meal deliveries; Providing lodging at hotels, motels, or other locations for quarantined HOPWA-eligible persons or their household members; Providing gap-closing rent payments to landlords or property managers where clients are unable to meet the obligation to pay their portion of rent under Tenant-Based Rental Assistance (TBRA); Providing short-term rent, mortgage, and utility (STRMU) assistance payments to prevent homelessness of a tenant or mortgagor of a dwelling for a period of up to 24 months. Provision of services as outlined above will help in assisting individuals and families prevent, avoid, or reduce the spread of COVID-19. Distribution of funds are included in CR-55.

#### Arkansas Development Finance Authority (ADFA) - HOME Investment Partnerships Program

**(HOME)** received \$10,125,629 as its 2021 HOME allocation. Program income receipted in FY2022 was \$5,643,966 from HOME funded activities, which includes Recaptured Homebuyer Funds. HOME funds expended during FY 2022 were \$6,502,935. This amount includes program income and funds committed and expended from prior year allocations.

**ADFA - National Housing Trust Fund (HTF)** was awarded \$4,123,109 for its 2021 HTF award, for the construction of rental housing for Arkansas's extremely low-income households, with a preference to serve veterans. For Fiscal Year 2022 (7/1/21 through 6/30/22) ADFA has drawn down \$1,000,798 in HTF funds, and \$67,274 in administrative HTF costs from IDIS. Five projects were funded in FY 2022, which will benefit of 51 Units upon completion. Two HTF projects were completed in FY 2022, for an additional 22 housing units.

#### **ESG-CV** resources made available are included below:

#### Narrative

Projects created in response to the five federal funding programs, CDBG, HOME, HOPWA, ESG and HTF, are spread across non-entitlement communities throughout the state. The vast majority of the combined funding is provided through individual benefit criteria, available to low-income individuals/households regardless of the demographics of the community in which they reside. A smaller portion, primarily funded through the CDBG Program, addresses infrastructure and public facility concerns within CDBG eligible areas where more than 51 percent of residents earn less than 80 percent of the area median income. For CDBG, 50 percent of CDBG funding will be used in CDBG area benefit eligible areas.

Investments are allocated according to responses to programmatic opportunities and client response to funding availability. Rehab programs may be targeted to the CDBG Eligible Areas or as individual benefit to low-income households. Public services, likewise, may be offered in low-income areas or generally to all qualified residents. Public facilities and infrastructure projects are restricted to CDBG Eligible Areas only.

The proposed allocation of funds was based on federal funding requirements for each formula-allocated grant. Areas of low- to moderate-income concentration and certain areas of high minority concentration are targeted. Areas of low homeownership and deteriorating housing conditions were also considered in the targeting process.

The distribution of funds by target area is projected to be primarily Statewide due to use of funds for administrative, non-profit support, and individual benefit-oriented programmatic uses of the funds. The remaining funds are estimated to be spread through smaller CDBG-eligible areas.

Higher ratings were given to counties with racial and low-income concentrations; and housing resource agencies were encouraged to develop more affordable housing resources in counties with proportionately less subsidized rental housing.

#### Leveraging

Explain how federal funds leveraged additional resources (private, state, and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

## Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The outcomes reported above are based on activities that were completed in the HUD Integrated Disbursement and Information System (IDIS) during this reporting period. The one-year goals set for HOME funded programs are based on available resources and funding commitments. A reduction in actual outcome was due to providing technical support to new recipients, changes within their organizations, funded projects with normal and COVID-related delays in construction and/or a reduction

in funding priorities during the reporting period. ADFA is working diligently with sub-recipients to make sure these projects move forward.

#### Discuss how these outcomes will impact future annual action plans.

Future annual action plans will continue to consider funding priorities based on housing needs. The state will continue monitoring the progress of projects that have been funded but not closed, as well as projects that are underway but delayed due to various plausible reasons. The state will continue to monitor the housing needs in underserved areas as well as developer's subsidy and down payment and closing cost assistance. Additionally, the State will monitor lower interest rates to encourage homeownership for low- to moderate-income households.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

# CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c) Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

# Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

DHS/DCO provided funding to eligible agencies throughout the state. The funds were used to establish relationships with unsheltered homeless people by providing food and water, basic hygienic items, and rain cloaks. Individual needs were assessed where these interactions occurred. This activity supported the state's goal of moving unsheltered homeless into safer nighttime sleeping place by increasing levels of trust between unsheltered homeless, who often have mental health issues, and local agencies who are able to assist with housing needs.

#### Addressing the emergency shelter and transitional housing needs of homeless persons

DHS/DCO provided funding to eligible agencies throughout the state. The funds were used to address the operational needs of facilities that provide emergency shelter to literally homeless individuals, families, women with children, and to those fleeing domestic violence or other unsafe situations. In addition to safe nighttime places to sleep, the sub-grant recipients also provided essential services such as budgeting, basic life skills, and assistance with connecting the program participants to sources of income.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

DHS/DCO provided funding to eligible agencies throughout the state. The funds were used to prevent low-income persons and families from becoming homeless by providing financial assistance with rent payments to those about to be evicted from their FMR- and rent reasonableness-compliant residences. These funds also assisted in transitioning participants from correctional institutions into suitable housing. These activities supported the State's goal of eliminating homelessness by preventing individuals and families at risk of homelessness from becoming actually homeless.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that

individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

DHS/DCO provided funding to eligible agencies throughout the state. The funds were used to assist homeless persons and families, and those fleeing domestic violence or other unsafe living situations, with obtaining safe, affordable FMR- and rent reasonableness-compliant residences. These funds were primarily used to assist participants who were transitioning from emergency shelters and had already received supportive services such as job training, budgeting skills training, and/or assistance with connecting to mainstream assistance programs. These activities supported the State's goal of eliminating homelessness by moving participants from temporary housing in shelters to permanent housing.

#### CR-30 - Public Housing 91.220(h); 91.320(j)

#### Actions taken to address the needs of public housing

ADFA continues to fund Tenant-Based Rental Assistance (TBRA) to public housing authorities to supplement their Section 8 vouchers and to agencies in communities that lack rental assistance to address the housing cost burden.

# Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

ADFA does not manage public housing authorities (PHA) units.

#### Actions taken to provide assistance to troubled PHAs

ADFA does not manage public housing authorities (PHA) units.

#### CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

There are no known public policy barriers to affordable housing development in Arkansas, though market factors do influence the ability to produce a range of housing to address all income levels. Most of these factors, including the cost of construction, price of developable land, and tenant/homebuyer incomes, are beyond the influence of the State of Arkansas. Where possible, the state provides or funds services that address market factors, such as job training and business development activities.

#### Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The state will continue to look for new funding sources for programs to address underserved needs. Funding is the major obstacle in providing the services needed to focus on the vast variety of issues that prevent families from breaking out of poverty and from living in the best, most affordable housing possible.

#### Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

ADFA requires dwelling units built prior to 1978 comply with the rehabilitation requirements of the Lead Safe Housing Rule (24 CFR Part 35, Subpart J).

The requirements of the Lead Safe Housing Rule depend on the level of assistance provided to the unit. The summary below provides a brief overview of the regulations.

For units with a level of assistance less than \$5,000, paint testing must be conducted on all painted surfaces to be disturbed or replaced during the renovation, or it must be presumed that all these painted surfaces are coated with lead-based paint. Safe work practices must be employed during the rehabilitation work, and upon completion, a clearance examination of the worksite is required. Clearance of the worksite is required prior to the unit being reoccupied.

For units with a level of assistance over \$5,000 and up to \$25,000, lead hazards must be identified by a risk assessment (or presumed to be present) and then addressed through interim controls or standard treatments. Proper safe work practices, trained staff, and unit clearance are also required.

For units with a level of assistance over \$25,000, lead hazards must be identified through a risk assessment (or presumed to be present) and addressed through abatement by a certified abatement contractor. Clearance is required.

All homeowners must receive the lead-based based pamphlet, Protect Your Family From Lead in

*Your Home* as well as other relevant information pertaining to the rehabilitation work. The Recipients must have documented evidence that this notice was provided.

#### Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The state continues its efforts in conjunction with the five (5) Continua of Care in Arkansas to reduce the number of poverty-level families through the development of services needed to assist those families with educational opportunities, job growth, and life skills training through the various social service agencies operating in the communities across the state.

#### Actions taken to develop institutional structure. 91.220(k); 91.320(j)

- 1. Worked with non-profit organizations to address community needs and provide support to federal and non-federal funding initiatives.
- 2. Worked with private industry to address important issues that hamper housing and community development efforts.
- 3. Identified opportunities to create private/public partnerships for project finance and development to leverage federal funds.

# Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The state continues to coordinate planning activities with subgrantees and private housing and social service agencies, including participation in the Balance of State Continuum of Care meetings, development of the Continuum of Care, and coordinate the enumeration of point-in-time and homeless surveys by continua throughout the state. State staff will continue its participation in other coalitions and study groups as the opportunity arises.

# Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

Effective January 1, 2012, applicants applying for HOME, HTF, or NSP program funds as well as Tax Credits must successfully complete the Fair Housing Training Course prior to receiving funding. Applicants will be required to have the following members of the development team successfully complete the course:

- Owners, Developers, Sponsors of the Project
- Consultants
- Management Company
- Architects
- Community Housing Development Organization (CHDO)
- Subrecipients

Act 944 of Arkansas, closes the loophole used by out-of-state predatory lenders. Amendment 89 to the Arkansas Constitution, passed by voters in 2010, set the interest rate cap for consumer loans at 17 percent APR. Arkansas is one of 17 states, plus DC and the US Military, with interest rate caps that prevent high-cost payday lending.

In the 2020-2024 Analysis to Impediments to Fair Housing Choice, Arkansas lists as #10, Increase Outreach to Developers, Real Estate Professionals, Landlords, and Citizens on Fair Housing rights. As one CDBG grant requirement, grantees must undertake at least one activity to affirmatively further fair housing. Fair housing characterizes the ability of persons, regardless of race, color, religion, sex, age, handicap, familial status, or national origin, of similar income levels, to have available to them the same housing and employment choices. Activities undertaken by CDBG subrecipients in 2021 included, or may include:

- Sending letters to those in the business of selling or renting housing and in the business of financing housing, encouraging them to adhere fully to the Federal Fair Housing Law
- Publicly endorsing the principles of fair housing and adherence to the Federal Fair Housing Law, in the form of a proclamation, resolution, advertisement or similar publicized statement of support from the Grantee's chief executive officer
- Improving community facilities and public services in racially integrated neighborhoods to help preserve their mixed character
- Initiating a public education program on fair housing, involving, for example, representatives of fair housing organizations, human relations groups, minority organizations, the real estate industry, government, and local media
- Developing a public awareness campaign for Fair Housing during April (Fair Housing Month)

In the 2020-2024 Analysis to Impediments to Fair Housing Choice, Arkansas lists as #11, Continue Economic Development, Job Creation, Small Business Entrepreneurial Opportunities and Jobs paying "living wages". As of June 30, 2022, AEDC had awarded one and committed to awarding two additional CDBG economic development projects for a total of \$5,498,200. These projects will improve economic opportunities for approximately 237 Arkansans through the improved access to job opportunities. Approximately 51% of the new jobs created by these projects will be made available to persons of low-to moderate-income. The average hourly wage of the jobs created as a result of these investments will be \$30.63.

In the 2020-2024 Analysis to Impediments to Fair Housing Choice, Arkansas lists as #12, Improve Transportation and Mobility for LMI Populations, Seniors, and Disabled Persons. In 2021, AEDC awarded two sidewalk projects, three street/road projects, and three drainage projects which improve the ability of LMI populations, seniors and the disabled which improve the mobility both by foot and by vehicle along public roadways and within their communities, to better access school, work, move throughout their community, and live where they want to live. These projects will benefit 15,543 persons.

#### **CDBG Actions**

CDBG subrecipient's CDBG Certified Administrators receive training in the civil rights rules and regulations during training sessions. Training sessions are reinforced with updates through the AEDC Grants Division's monthly newsletters and other outreach which is published on an as needed basis. Each subrecipient's program eligibility criteria are reviewed to determine whether the criteria or methods of administration may have the effect of subjecting individuals to discrimination on the basis of

race, color, age, sex, national origin, or disability. Comparisons are made between recent census data regarding those protected classes and the percentages of those protected classes participating and receiving benefits from CDBG funds. All grantees are required to maintain, on an ongoing basis, and on file permanently, numerical and percentage documentation and information regarding the following:

- 1. Total beneficiaries in project
- 2. Total numbers of males/females.
- 3. Actual number of Whites, Blacks, Hispanics, Asians, Native Americans, and others.
- 4. Percentages of males, females, minorities, female heads of household, disabled population, and low to moderate income persons receiving benefits from the project funds.

Program representatives are required to consider this information, compared with census data, and determine if there is any indication any person and/or group of persons were denied benefits or employment on the grounds of race, age, sex, or disability. The State's review of all information gathered through monitoring visits indicates that subrecipient's CDBG programs are being administered in a manner, which does not deny any benefit or employment on the grounds of race, age, sex, national origin, and/or disability.

All applicants applying for federal resources submit a Four Factor Analysis, assessing Limited English Proficiency of the anticipated beneficiaries of the project activity(ies), in addition to a Language Assistance Plan if determined as necessary by the four-factor analysis conducted as part of the application review process. AEDC Grants Division staff reviews these analyses and plans and provides recommendations to the grant applicants regarding any clarifications or missing information needed for compliance under Title VI of the Civil Rights Act of 1964. Applicants are encouraged to ask questions of AEDC staff and also resubmit their analyses and plans for final review.

AEDC recognizes it shares responsibility with federal and local governments for shaping a regulatory climate that encourages housing while maintaining needed health, safety, environmental, and consumer protections. The cost, benefits, and tradeoffs of various regulations must be weighed carefully so they promote the affordability and availability of housing. In addition, the administration of regulations must be done in a way that reduces costs and delays. AEDC staff continues to review these analyses and plans as part of the application and release of funds process.

#### CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

To ensure that all statutory and regulatory requirements are being met for activities funded with HUD funds, the State agencies use various monitoring standards and procedures.

AEDC and ADFA is responsible for ensuring that grantees under the CDBG, HOME, and HTF. Programs carry out projects in accordance with both federal and State of Arkansas statutory and regulatory requirements. In most cases, these requirements are set forth in the grant agreement executed between the State and the Grantee. The State provides maximum feasible delegation of responsibility and authority to grantees and developers under these Programs. Whenever possible, deficiencies are rectified through constructive discussion, negotiation, and assistance.

AEDC and ADFA conduct two basic types of monitoring: off-site monitoring (also known as "desktop monitoring"), and on-site monitoring. AEDC Grants Division and ADFA Compliance staff regularly review each project to verify that it is proceeding in the manner set forth in the grant agreement and in accordance with applicable laws and regulations. It is AEDC policy that each project is monitored twice, on an Interim basis, and one Final monitoring. Each project will be monitored at least once, ADFA monitors through the period of affordability on all projects.

Desktop monitoring is an ongoing process in which the AEDC Grants Manager and ADFA Compliance Manager, are responsible for overseeing the grantee and developer projects, using all available information to review the grantee and developer performance in carrying out the approved project. This review process enables AEDC and ADFA to identify problems requiring immediate attention and to schedule projects for on-site monitoring, while ADFA performs on-site monitoring throughout the affordability period. Materials used for this review include but are not limited to: Grant Agreement Amendments; Project Status Reports, Requests for Payment of funds (RFPs); AEDC grant database review; and ADFA project database; and other supporting documents.

On-site monitoring is a structured review conducted by the Grants Manager and ADFA Compliance staff at the locations where project activities are being carried out, or where project records are being maintained. ARDC performs one on-site monitoring visit, normally conducted during the course of a project, unless determined otherwise; while ADFA performs onsite visits every three years. Additionally, an ADFA Construction Inspector reviews projects throughout the construction phase and for project completion of housing projects.

The monitoring review considers all available evidence of whether a project conformed to an approved

Program; whether substantial progress toward program goals had been met; compliance with applicable laws and regulations; and continued capacity of the Grantee or Developer and Grant Administrator (AEDC and ADFA) to carry out the approved Program project.

Checklists are utilized to ensure that all issues are addressed. AEDC has CDBG and ADFA have specific checklists based on the types of activities within a given project. The number of times a project is monitored will depend upon the issues that may arise during the desktop or on-site monitoring.

#### Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The Citizen Participation Plan (CPP) is the CPP established for the State of Arkansas's Five-year Consolidated Plan, which covers the 2020 through 2024 Program Years.

#### **Notification and Comment Period**

In accordance with the state's CPP, the state provided the public with advance notice of the availability of the draft version of the Consolidated Annual Performance and Evaluation Report (CAPER), how the document could be obtained, and the time frame during which it would be available.

#### **Notification**

A legal advertisement was published on September 11, 2021, in The Arkansas Democrat-Gazette, a newspaper of general circulation in Arkansas. The notice indicated when the document would be available and provided: a web address to download a copy of the report, a physical address where a hard copy of the report could be reviewed and a phone number and email address for requesting copies to be mailed or emailed. Per the state's CPP, additional avenues for public notification were also used to capitalize on new technology and expand the reach of the notification effort. The draft document was made available via download from the <a href="www.arkansasedc.com/grants">www.arkansasedc.com/grants</a> website and via email from the Arkansas Economic Development Commission, lead agency for the development of the CAPER.

#### **Timeframe for Review and Comment Period**

The 15-day period for public review and comment ran September 11-26, 2022. The deadline for submitting written comments was close of business at the end of the 15-day period, or 5:00 p.m. on September 26, 2022.

#### **Summary of Comments Received**

No comments were received during the 15-day public comment period.

## CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

In 2021, AEDC set aside \$1,000,000 for Emergency/Unmet Need projects within the Public and Community Facilities, and Infrastructure Priority Need. These CDBG funds will be used to assist local units of government with situations that pose a serious and immediate threat to public health, safety, or welfare. Priority is given to those projects that are meeting the Urgent Need national objective criteria but could qualify under LMI Benefit Area or Limited Clientele.

Local units of government must submit a pre-application to the WWAC (if a water or wastewater project) or should otherwise consult with the AEDC Grants Division before submitting a full application. This set-aside was developed to give applications an opportunity to apply for emergency or urgent need projects any time during the year without having to wait until the deadline through another program.

This flexibility in application also allows applicants to better time their CDBG project with funding from other resources.

The objectives of the CDBG have generally remained the same as in previous years, during the 2020-2024 Consolidated Plan.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

## CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

No onsite inspections were performed per COVID-19 waiver for July, August, and September of 2021.

721 Inspections were performed for the remainder of FY 2022, for all HOME Rental Projects, including TBRA Unit Inspections.

See Attachments: CR-50 HOME Unit Inspections.

## Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

To further the commitment to nondiscrimination and equal opportunity in housing, and in accordance with the regulations of the HOME Investment Partnerships Program (HOME), ADFA requires HOME subgrantees, Community Housing Development Organizations (CHDOs), and developers of HOME Program funds to comply with the affirmative marketing requirements. Applicants applying for HOME funds must submit an affirmative marketing plan upon application and adopt policies and procedures that inform the public, potential tenants, homebuyers, homeowners, and rental property owners of their program through an Affirmative Marketing Plan (AMP or Plan).

## Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

Total program income receipted in FY 2022 was \$5,643,965.96 which includes loan repayments of \$4,971,601.39, recaptured homebuyer funds of \$180,895.44 and repayments to the HOME local account of \$491,469.13. *Ten percent* of ordinary program income (\$497,160.14) was retained for administration which excludes recaptured homebuyer funds and repayments to the HOME local account. Program income was used for various projects as requests for drawdowns were submitted and processed.

#### **Low-income Housing Tax Credit Program (LIHTC)**

The Arkansas Development Finance Authority (ADFA) administers the federal Low-income Housing Tax Credit Program (LIHTC) for the State. The program incentivizes private equity investments from owners and developers to build or rehabilitate multi-family housing that is rented to families whose income is not greater than 60% of the area median. Developers receiving tax credits sell them to corporations that use them to offset federal income tax liability. The 2022 state ceiling was \$7,867,316 of 9% LIHTC. However due to two Hard Cost Increases on allocations to 2019, 2020 and 2021 applicants, there were only 2 projects awarded this year for \$1,308,500 in annual tax credits and a total of 92 units to income eligible tenants. Additionally, due to Covid Pandemic hard-cost construction increases, the use of \$6,558,816 of 2022 LIHTC, was re-awarded to 19 prior years (2019, 2020, and 2021) LIHTC awarded projects resulting in 1428 units Additionally, ADFA will issue \$13.5 million of Volume Cap/4% Tax Credit, to fund 1 project rehabbing 87 units, 13 of which will be NHTF and 74 will be LIHTC units.

#### **Single-Family Homeownership Program**

ADFA utilizes Mortgage-Backed Securities (MBS) sold on the open market to generate funds for the single-family homeownership program. Loans are originated by participating lenders throughout the state to homebuyers. During FY 2022, ADFA made 1566 MBS loans totaling \$248,414,683 with an average loan amount of \$159,000.

#### Mortgage Credit Certificate (MCC) Program

The Mortgage Credit Certificate (MCC) Program provides for a federal tax credit of up to \$2,000 per year as long as the home is used as the borrowers primary residence. The MCC is an incentive for first-time homebuyers to purchase a home. During FY 2022, ADFA issued 212 Mortgage Credit Certificates totaling \$15,686,832 with an average loan amount of \$148,000 with 28% issued to Targeted Areas and 72% issued to Non-Targeted areas.

Table 14 - HOPWA Number of Households Served

#### **Narrative**

**Goal 1**: Provide direct housing subsidy assistance to enable low-income, HIV-positive individuals to remain in their homes and to reduce their risks of homelessness.

**Objective 1**: Provide tenant-based rental assistance (TBRA).

Outcome: Housing stability.

**Outcome Statement**: Establish and/or better maintain a stable living environment in housing that is safe, decent, affordable, and sanitary.

**Performance Indicator:** Provide funding to maintain or increase assistance to **60** households utilizing tenant-based rental assistance (TBRA) for a period of up to 36 months.

Actual accomplishments: HOPWA expended \$534,369.55 to maintain or increase assistance to ninety-seven (97) households utilizing tenant-based rental assistance (TBRA) for a period of 12 months out of a 36-month eligibility period. This was 37 more than projected in the FY 2021 annual plan.

**Objective 2:** Provide short-term rent, mortgage, and utility assistance (STRMU).

**Outcome:** Housing stability.

**Outcome Statement:** Establish and/or better maintain a stable living environment in housing that is safe, decent, affordable, and sanitary.

**Performance Indicator:** Provide funding to maintain or increase assistance to **75** households accessing short-term rent, mortgage, and utility assistance (STRMU) for some portion of the permitted 21-week period.

Actual Accomplishments: HOPWA expended \$63,879.88 to maintain or increase assistance to sixty-one (61) households accessing traditional (non-CARES Act) short-term rent, mortgage, and utility assistance (STRMU) for some portion of the permitted 21-week period, and \$24,163.02 under COVID-19 CARES Act to provide STRMU assistance to 16 clients. In total, 77 clients received STRMU assistance in FY 2021 at a cost of \$88,042.90. This was 2 clients more than projected in the annual plan.

**Objective 3:** Provide Permanent Housing Placement (PHP) Assistance.

**Outcome:** Housing affordability and stability.

**Outcome Statement:** Establish permanent residency by placing clients who are homeless or living in undesirable situations in safe, decent, stable, and affordable rental units.

**Performance Indicator:** Provide funding assistance to pay for up to two (2) months of rent, and (or) a one-time security and (or) utility deposits.

**Actual Accomplishments**: Fifty-two (**52**) clients benefitted from permanent housing placement services at a cost of \$67,155.96.

**Objective 4:** Provide Short-term, transitional housing (hotel/motel) Assistance.

Outcome: Housing affordability and stability.

**Outcome Statement:** Establish temporary, stop-gap residency by providing clients who are homeless or living in undesirable situations with safe, decent, and affordable hotel/motel voucher assistance for up to sixty (60) days within any six-month (6) period; rental housing is identified but not immediately available to approved clients for move-in.

Performance Indicator: Client is transitioned and established in long-term housing.

Actual Accomplishments: Twenty-one (21) clients benefitted from short-term hotel/motel stay at a cost of \$54,326.26. seventeen (17) placed on TBRA, two (2) placed in other permanent housing; one (1) lost to follow-up, and one (1) place in other short-term arrangements. This was 17 more than assisted in FY 2020.

**Goal 2**: Service Coordination and Case Management: Improve access to health care and other supportive services for HIV-positive individuals and their families.

**Objective:** Provide support in conjunction with HOPWA-funded housing assistance.

**Outcome:** Access to health care and support.

**Outcome Statement:** Improve access to health care and other supportive services.

**Performance Indicator:** Spend approximately \$229,543.00 to provide case management to assist **150** clients with obtaining housing; coordinate long-term plan of employment assistance and training to enable clients transition to self-sustaining, stable, permanent housing, and to coordinate complimentary supportive services.

Actual Accomplishments: HOPWA expended \$143,908.51 to provide service coordination to assist one hundred ninety (190) clients with obtaining housing, coordinating long-term plans for allowing clients to remain in housing and coordinating complementary supportive services. This was 40 more clients than projected in the FY2021 Annual Action Plan (AAP). An additional \$3,685.72 was expended from CARES Act funds to provide PPE and sanitary supplies to 55 clients, for a total of \$147,594.23 expended, and 245 clients served during the program year on service coordination overall. This was about \$81,949 less, and 95 clients more compared to projections in the FY2021 Annual Action Plan.

### CR-56 - HTF 91.520(h)

Describe the extent to which the grantee complied with its approved HTF allocation plan and the requirements of 24 CFR part 93.

The state is implementing the approved HTF Allocation Plan, which requires that all HTF-funded activities be reserved for extremely low-income (ELI) households, which are those at or below 30% of area median income (AMI). Per 24 CFR 93.250(a), in any fiscal year in which the total amount available for allocation of HTF funds is less than \$1 billion, ADFA will use 100% of its HTF grant for the benefit of ELI families or families with incomes at or below the poverty line (whichever is greater).

ADFA will administer the HTF program to provide funds to develop new construction or rehabilitate existing structures to create decent, safe, and sanitary rental housing, primarily targeting a specific underserved group: the ELI population in Arkansas. Preference will be given to ELI Veterans and surviving spouses of deceased Veterans.

Recipients of HTF funding are required to determine that each family occupying a HTF-funded unit is income-eligible as required by 24 CFR 93.151, and income targeting requirements described in 24 CFR 93.250 will be met regardless of the annual allocation for HTF funds as all occupants of the HTF-funded units are required to be at or below 30% AMI or the federal poverty level, whichever is greater.

The only eligible activities for the state's HTF program are rental new construction or rehabilitation of rental housing. This is in compliance with the HTF eligible activities provided for in 24 CFR 93.200 and further ADFA's HTF program does not allow for prohibited activities identified in 24 CFR 93.204. In selecting projects for funding, ADFA ensure that sites for the proposed project meet requirements in 24 CFR 983.57(e)(2). Per requirements established in 24 CFR 93, ADFA will follow established policies and procedures. These include: eligibility as affordable rental housing, maximum per unit development subsidy amount, underwriting, subsidy layering, property standards, tenant protections and selection, other applicable Federal requirements, and performance reviews and sanctions. Some of these are described in the Method of Distribution and HTF program specific sections of the Annual Action Plan along with program documents on ADFA's website.

## Arkansas Consolidated Annual Performance & Evaluation Report

#### State PER

#### Program Years 2006-2021

This Addendum contains the attachments to the State of Arkansas's Program Year 2021

Consolidated Annual Performance & Evaluation Report (CAPER), the CDBG State PER. Inclusion of this Addendum is required to conform to HUD CPD Notice 21-11 issued September 29, 2021.

The required IDIS reports are only available via download from the HUD IDIS system and include:

- IDISPR28-FinancialSummaryReports
- IDIS PR28-Activity Summary Report
- IDIS PR28-Grant Financial Summary

Important Note: These IDIS reports required HUD to make substantial modifications to the IDIS system to incorporate additional information and allow reporting according to the unique requirements for State CDBG Programs. The previous version of IDIS, which had been in use for many years, did not track all the information necessary to meet all State Program reporting requirements, in particular the requirement to track projects by year of HUD Grant funding. The State has therefore always had its own dedicated system for grants management information for CDBG, and like all other states, met reporting requirements using data and reports generated from our own system. The IDIS reports that are now required are accurate only for grants received from HUD, and funding and expenditures entered into IDIS, since the system upgrade.

In addition, there are some elements of State Programs that HUD acknowledges that IDIS cannot completely accommodate, and therefore created a means by which states identify needed adjustments to the Financial Summary Reports and enter these into IDIS before printing the reports. Readers are cautioned to carefully review the notes below regarding adjustments to the Financial Summaries, as well as the notes regarding data, format, and presentation of data on the Activity Summary.

#### **PR28 IDIS Financial Summary Reports**

The IDIS Financial Summary reports are generally focused on expenditures, or the amount of each year's HUD Grant expended by the State and its subrecipients during the program year.

Only Part IA, Sources of State CDBG Funds and Part IB, State CDBG Resources by Use show amounts obligated to recipients and set aside for state program administration and technical assistance. All other sections show expenditures, including: Part IC, Expenditures; Part ID, Compliance with Public Service Cap; Part IE, Compliance with Planning and Administration Cap; and Part II - Compliance with Overall Low- and Moderate-Income Benefit. These IDIS Financial Summary Reports are also "live" reports reflecting data in IDIS as of the report run date. Most recent HUD guidance instructs the State to run the Financial Summary report for each open HUD Grant Year as of the end of the Program Year, to serve as an archive of the report as of this point in time. Subsequently, IDIS offers no means of running a report accurately reflecting financial status as of Program Year end, or in this case June 30, 2022.

#### **Financial Summary Adjustments**

There are multiple "adjustment" lines indicated on the IDIS PR28 Financial Summaries. The reason for this is that, prior to recent updates, HUD's IDIS system did not accommodate all information needed to comply with State CDBG Program reporting requirements. In particular, data reported by IDIS for older grant years is especially likely to be inaccurate. HUD therefore designed an interface by which states can enter adjustments to IDIS-generated data to ensure correct reporting. On the PR28, unadjusted IDIS data is presented first, followed by adjustments entered by the State to correct the IDIS-generated amounts, and finally the calculated result or "total" amount is presented. Readers should focus on report lines with labels beginning with "Total."

Note: Adjustments on each PR28 are those which the State determined to be necessary to
reconcile the IDIS Financial Summary for each open HUD Grant to state data - as of June
30, 2022. Reports run after that date from IDIS may not yield calculated total lines that
correctly reconcile live IDIS data to live state program system data.

#### PR28 Grant Financial Summary Report

This report is similar to the PR28 PER Financial Summary; however, this report does not include other funding sources and does not allow for direct manual adjustment. This report is limited to only grant funds, and similarly includes the cumulative financial status of each grant, uses, and expenditures, over the entire period of performance of the grant. This report is designed for the purpose of reporting requirements for CDBG-CV funds. This report will be required annually for as long as a state's CDBG-CV grant remains open. A final report is required to be submitted for closeout of the CDBG-CV grant.

#### Program Income

As used on the Financial Summaries, "Program Income" refers to other CDBG funds recaptured by the State and used in two distinct ways: as regular program income, or as state revolving fund program income. These are combined on the Financial Summary reports and collectively referred

to as "Program Income." But it should be noted that they each have unique reporting requirements, which stem from when HUD considers each type of Program Income to have been "distributed."

As noted in CPD-21-11, HUD requires that: "... program income (PI) returned to the state belongs to the (HUD Grant) which funds the program year in which the program income is distributed."

HUD considers PI distributed when simultaneously expended and obligated and SF distributed when obligated only.

#### Program Income (PI)

Program Income (PI) is expended or disbursed as it is received. The state effectively obligates PI immediately upon receipt, to subrecipients with existing grants who have a pending request for payment. PI funds either partially or completely offset HUD CDBG grant funds that would otherwise be used to pay the draw request. In this way, PI funds are disbursed immediately.

#### State Revolving Fund Program Income (SF)

State Revolving Fund Program Income (SF) is handled more like the annual HUD Grant.
 The State obligates SF funds for new grant awards or increases to existing awards, and SF funds are reported with the HUD Grant corresponding to the year obligated. Like regular CDBG grant funds, disbursement of SF funds is delayed until after grant award and startup once implementation or construction of an SF-funded project begins.

Since SF program income is reported with the HUD Grant for the year during which it is **obligated**, the entire amount shows up on the Financial Summaries as "returned to the state" and "redistributed" in the year it is obligated. Regular PI, on the other hand, shows up when it is obligated and expended. One other main difference between regular PI and SF is that SF amounts reported may change in the future if the amount of an SF obligated amount is reduced or an SF-funded grant is terminated. In that case, the recaptured funds will show up in the year they are re-obligated.

#### Financial Summary Reporting of PI & SF Funds

Program Income, both PI and SF, show up in the IDIS Financial Summaries in Part A-Sources of State Funds and in Part B-State CDBG Resources by Use. Receipt of PI and SF funds is combined and shown on Part A, Line 3, "Program income receipted in IDIS." Receipts are also shown in Part B, on either Line 20, "Returned to the state and redistributed" or Line 23, "Returned to the state and not yet redistributed." All PI is indicated as received in IDIS when it is actually received by the State, and it is indicated as obligated in IDIS when obligation actually occurs. For PI, this is just prior to these funds being drawn. For SF, this is when obligated, typically well in advance of the SF

funds being drawn.

It is unclear what rules are used to determine whether PI is shown on Line 20 or Line 23 on the Financial Summary Reports. The State has therefore made the assumptions outlined below to determine whether adjustment is required for Line 20 or Line 23 and to correctly report Line 22, "Total redistributed" and Line 25, "Total not yet redistributed."

- Part A, Sources of State CDBG Funds Program Income that belongs to the HUD Grant Year is reported along with the annual CDBG grant from HUD. The amount of Program Income shown includes the total amount of Pl obligated/expended and SF obligated during the year. Together the State Allocation and Program Income make up State CDBG resources for the HUD Grant Year.
- Part B, State CDBG Resources by Use
  - o Program Income "Returned to the State and Redistributed" (Lines 20 22) Total amount of PI obligated to grant recipients and expended during the year and SF obligated to grant recipients during the year. The amounts on Line 20 are populated by IDIS, and the "adjustments" on Line 21 are required to yield the correct "Total amount redistributed" on Line 22.
  - o Program Income "Returned to the State and Not Yet Redistributed" (Lines 23 25) Unexpended PI and unobligated SF balances. PI is expended immediately upon receipt and SF is reported in the year it is obligated. These lines are therefore applicable only to the 2019 Financial Summary, which corresponds to the current program year. For Grant Years prior to 2019, Line 23 is populated by IDIS and "adjustments" on Line 24 are those needed to reduce the Line 25, "Total not yet redistributed" to zero (\$0). For Grant Year 2015, Line 23 is also populated by IDIS, but the "adjustment" on Line 24 is the amount needed to yield the correct amount of unobligated SF on Line 25.
  - o Program Income "Retained by Recipients" (Lines 26 28) Zero (\$0) for all Grant Years as no program income is retained by the State or by its sub-recipients. Program income on hand must be spent before any additional CDBG funds are drawn. "Adjustments" on Line 27 are those needed to reduce Line 28, "Total retained" to zero (\$0).

#### **Financial Summary Sections**

#### Part A - Sources of State CDBG Funds

Total State CDBG Resources includes both the "State Allocation" and "Program Income," described in detail above. State Allocation refers to the annual HUD CDBG grant to the State. Since the State does not have any Section 108 Loan Funds for any open grant year, Line 7, "Total

State CDBG Resources" is the sum of the annual CDBG allocation or HUD grant and Program Income.

#### Part B-State CDBG Resources by Use

This section identifies how the State has used available resources, including each annual CDBG allocation or HUD grant and Program Income. Funds, except allowable set asides for State Program administration and technical assistance, must be initially obligated to recipients with 15 months of signing the HUD grant agreement. This section therefore reflects cumulative use or obligation of each year's CDBG grant from HUD. Line 11, "Total obligated to recipients" reflects all grants awarded out of the corresponding CDBG grant, including grants which were not active during the year and are not reported on the PR28 Activity Summary (see below).

Expenditure of funds obligated is reported in Part C – Expenditure of State CDBG Resources. Allowable amounts for State Program administration (2% of the annual allocation plus \$100,000) and technical assistance (1% of the annual allocation) are set aside when the HUD Grant is initially received but may change after the initial report. Like funds obligated to recipients, expenditures are reported in Part C. One additional amount reported in this section is the State match of the 2-3% administration funds, which is shown on Line 18. Lines 19 through 28 correspond to Program Income use, described above.

#### Part C-Expenditure of State CDBG Resources

This section identifies cumulative expenditure of funds shown in Part B for "State Administration" (Line 31), "Technical Assistance" (Line 34) and "all other activities" (Line 40). All other activities are funds obligated to recipients and drawn by recipients subsequent to award. Amounts expended for State Administration and Technical Assistance cannot exceed the allowable set asides described above and shown in Part B.

#### Part D-Compliance with Public Service (PS) Cap

The amount of State CDBG funds that can be spent on public services (PS) is capped at 15% of each annual CDBG allocation (less admin and technical assistance set asides) plus program income.

 Note: Compliance with the public services cap cannot be determined until all funds from a particular HUD Grant have been expended.

#### Part E-Compliance with Planning and Administration (P/A) Cap

The amount of State CDBG funds that can be spent on planning and administration (P/A) is capped at 20% of each annual CDBG allocation plus program income.

 Note: Compliance with the planning and administration cap cannot be determined until all funds from a particular HUD Grant have been expended.

#### Part II - Compliance with Overall Low- and Moderate-Income Benefit

State CDBG Program regulations require that at least 70% of CDBG resources over a defined period must be spent to benefit Low- and Moderate-Income (LMI) persons. Part II shows expenditures in IDIS for activities based on the CDBG National Objective, for each three-year LMI compliance period. The three-year period report is identical for each Grant Year included in the three-year benefit period.

#### PR28 IDIS Activity Summary Report

The PR28 IDIS Activity Summary is required per HUD notice CPD-21-11. Because of its length, it is provided as an electronic file to the Little Rock HUD Field Office and can be downloaded from www.arkansasedc.com/grants.

This report lists activities according to the HUD grant or annual CDBG allocation out of which they were funded. However, not all activities funded out of each HUD Grant are included on the PR28 Activity Summary. The Activity Summary lists active grants, which are generally those with funds expended during the year or that were completed or canceled in IDIS during the program year. And the Activity Summary does not list activities completed prior to the start of the program year, or activities which are open but expended no funds during the program year.

Consequently, this report should not be considered as backup or a source of supporting data for the PR28 Financial Summary reports. Supporting data for the Financial Summaries is maintained in the State's files.

The Activity Summary displays information as follows:

- Data that is not collected by IDIS or which is not applicable for a particular type of activity is shown as zero "0" rather than left blank or shown as NULL (no value exists) or N/A (not applicable or not available in IDIS).
- Proposed and actual accomplishments for Low Mod Area Benefit (LMA) activities
  are shown only in the section labeled "Proposed Accomplishments." Data in the
  "Proposed Accomplishments" section is, in fact, proposed only if the activity is
  open in IDIS. If the activity has been completed in IDIS, the data displayed is the
  actual accomplishment data (regardless of the incorrect label).
- No actual accomplishment information for LMA projects is shown in the section labeled "Actual Accomplishments." This is because there is no provision for entering this information in IDIS for LMA projects, and IDIS does not have any information to display on the Activity Summary. As noted above, the report displays a zero (0) instead of NULL or N/A.

Despite the incomplete nature of LMA project information displayed in the Activity Summary, the State does collect and maintain all pertinent information, including information on the race, ethnicity and income level of people benefiting from all CDBG-funded projects. Please refer to Section II - Families and Persons Assisted and to Families and Persons Assisted by CDBG Funding, above.

Labels and related data on the Activity Summary include:

- UGLG the unit of local government to which the state has obligated funding from one or more HUD Grants.
- Grant Year The year of the annual COBO Allocation or HUD Grant from which funds were obligated to the local government.
- Project –The CDBG Program for the applicable annual allocation under which funds were distributed or obligated to the local government.
- IDIS Activity The number assigned to the activity by IDIS, plus the name of the local government.
- Status The status of the activity in IDIS, followed by either: a) the date completed or canceled, orb) if the grant is open, a zero (0) indicating a date is not applicable.
- Objective One of three HUD objectives (Decent Housing, Suitable Living Environment or Economic Opportunity) which the activity will address.
- Outcome One of three HUD outcomes (Availability/Accessibility, Affordability or Sustainability) which the activity will achieve.
- Matrix Code An IDIS code indicating activity type.
- National Objective A code reflecting one of three HUD national objectives and specific
  eligibility under each (LMA area benefit, LMC limited clientele, LMJ jobs, LMH housing, SBA
  Slum/Blight area, SBS Slum/Blight Spot, and UN urgent need). Note that state planning, state
  administration and technical assistance do not need to meet a national objective and the
  report displays (0) to indicate not applicable for these types of activities.
- Initial Funding Date The date the activity was initially funded in IDIS as distinct from the
  date obligated on the grant award between the State and the recipient. Date obligated is
  collected by IDIS (and maintained in the State's records) but is not shown on the Activity
  Summary.

#### · Financing:

- O Funded Amount Amount of the annual COBO Allocation or HUD Grant obligated to the activity, plus any PI or SF Program Income. Activities which have funding from multiple HUD Grants will show up under each year of funding, with only financial information unique to the grant year. All other information is duplicated.
- O Net Drawn The cumulative amount of the HUD Grant, PI or SF expended.
- O Balance Funded amount less net drawn.
- Proposed Accomplishments Data shown here varies, depending on the national objective and activity status.

#### People (General)

- Open activity meeting an LMA, LMC, SBA, SBS or UN National Objective number of people expected to benefit
- Completed activity meeting an LMA, SBA, SBS or UN National Objective actual accomplishments, or actual number of people who benefited. Actual people benefiting from completed LMC activities are shown in the Actual Accomplishments section.

#### O Jobs

 Open activity meeting an LMJ National Objective - number of jobs expected to be created or retained. Actual jobs when a project is complete are shown in the Actual Accomplishments section.

#### O Units

 Open activity meeting an LMI-I National Objective - number of households expected to benefit. Actual units when a project is complete are shown in the Actual Accomplishments section.

#### O Total Population in Service Area

- Zero (0) not applicable (all non-LMA projects)
- Open LMA activities total number of people expected to benefit, based on either census data or a survey
- Completed LMA activities –actual number of people who benefited, based on either census data or a survey

#### O Census Tract Percent Low/Mod

- · Zero (0) All non-LMA activities, indicating not applicable
- Open LMA activities percentage of people expected to benefit who are LMI, based on either census data or a survey. Number of LMI is not shown.
- Completed LMA activities percentage of people who actually benefited who were LMI, based on either census data or a survey. Number of LMI is not shown.
- Actual Accomplishments: Although the State collects actual accomplishment data for all completed activities (except those with state planning matrix codes), and maintains this information in its files, the Activity Summary displays zeroes (0) for most completed activities. This should be interpreted as "data not available in IDIS for this activity type." As discussed above, the only actual accomplishment data for LMA projects is shown in "Proposed Accomplishments" section of the Activity Summary (see above).

#### O Number Assisted (by Race/Ethnicity)

- Zero (0) for all categories open activities and completed LMA activities, indicating not available.
- Completed LMH activities number of households as applicable in columns labeled Owner, Renter and Total.
- Completed LMJ or LMC activities number of people in the column(s) labeled Total. (Owner and Renter columns have zeroes, indicating not applicable.)

- Female-headed households Zero (0) indicating not applicable for activities except completed LMH activities.
- Income Category Data here, if displayed by IDIS, indicates total people, households or jobs
  by category of income: Extremely Low (0-30% AMI), Very Low (30-50% AMI), Moderate (5080% AMI), Non-Low Moderate (over 80% AMI), along with the Total and the percent LMI.
  - Zero (0) for all categories open activities and completed LMA activities, indicating not available.
  - Completed LMH activities number of households as applicable in columns labeled Owner, Renter and Total.
  - Completed LMJ or LMC activities number of people in the column labeled Persons. (Owner, Renter and Total columns have zeroes indicating not applicable.)
- Annual Accomplishments/ Accomplishment Narrative This report generally shows zero (0)
  as the number benefiting, rather than data entered into IDIS for completed activities. For
  LMA completed projects, see "Proposed Accomplishments" above. For all other projects,
  see "Number Assisted" and "Income Category" above.

#### PR28 PER Financial Summary Review Checklist

#### A. General Information Review

- Is there a PR28 PER Financial Summary for EACH open annual grant?
   Yes / No
- Are there any report adjustments made by the grantee (PR28 PER Financial Summary) and are they sufficiently explained in an attachment? Yes / No
- Is the timeframe selected for meeting the principal benefit test (Line 63) consistent with the period specified in the state's Consolidated Plan certification and with §570.484(a)? Yes / No

#### B. Financial Review

Review each allocation's report and use the space provided to explain any negative determinations.

- Are Section 108 funds properly reported in Section A?
   Yes / No / Not Applicable
- Did the state report an appropriate state administration match? This is a manual entry on Report Parameter screen, for which an explanation must be attached. This is the only place in IDIS to enter the amount of the administration cost match required by 24 CFR 570.489(a)(1). Is Line 18 ≥ (Line 31 minus 100,000.00)? Yes / No
- Did the state report compliance with the state administration & technical assistance cap pursuant to 24 CFR 570.489(a)(1)(iii)?
   Combined State Admin\* and TA Cap: ((Line 31-100,000.00)+Line 34)≤ ((Line 1+Line 5)\*0.03)
   Yes / No

\*For questions 4 through 6, under the 2014 and prior grants, pursuant to §570.489(a)(1)(v), states had the option of demonstrating compliance with this requirement in two ways, either cumulatively or year-by-year. Pursuant to the regulatory changes made by the Interim Rule, FR 5797-I-01, Changes to Accounting Requirements for the Community Development Block Grants (CDBG) Program, for

2015 and subsequent grants, compliance with §570.489(a)(1) may only be demonstrated on a year-by-year basis.

 Did the state report compliance with the public service cap pursuant to HCDA § 105(a)(8)? Is Line 49 ≤ 15 percent? Yes / No

Note: This report includes drawn amounts where the activity is carried out to prevent, prepare for, and respond to coronavirus. Pursuant to III.B.5.(f)(iii), the percentage is allowed to exceed 15 percent of FY2019 annual CDBG funds and of FY2020 annual CDBG funds expended for public service activities carried out to prevent, prepare for, and respond to coronavirus. The PR28 Grant Financial Summary will demonstrate whether those expenditures from FY2019 or FY2020 funds were for such coronavirus-related activities.

- Did the state report compliance with the 20 percent combined planning and administration cost cap pursuant to 24 CFR 570.489(a)(3)(ii)? Is Line 58 ≤ 20 percent? Yes / No
- Did the state report compliance with the 20 percent cap on the annual grant for planning and administration costs pursuant to §570.489(a)(3)(iii)? Is Line 62 ≤ 20 percent? Yes / No
- 10. Did the state report compliance with the Low- and Moderate-Income Benefit test? Is Line 77 ≥ 70 percent? Keep in mind that this percentage might be less than 70 percent at various points during the period(s) of performance of the grant(s) involved. Full compliance is determined when the grant(s) are fully expended. Yes / No

(Refer to Chapter 4 of the CPD Monitoring Handbook 6509.2, Exhibit 4-3, for more information on calculating the state's percentage in meeting the principal benefit test. See: <a href="https://www.hudexchange.info/resource/290/hud-community-planning-and-development-monitoring-handbook-65092-rev6/">https://www.hudexchange.info/resource/290/hud-community-planning-and-development-monitoring-handbook-65092-rev6/</a>)

#### Example PR28 Grant Financial Summary With Line Descriptions and Review Notes

U.S. Department of Housing and Urban Development
Office of Community Planning and Development
Integrated Disbursement and Information System
[GRANTEE NAME]
Grant Financial Summary
As of [Report Generation Date]

Grant Number B-[YY]-DW-[State FIPS Code]-[Grant Identifier]

#### A. Sources of State CDBG Funds

- State Allocation CDBG-CV grant, with the source code "DW" in IDIS.
- Grant funds returned to line of credit: Amounts repaid and credited to the CDBG-CV account in LOCCS.
- Grant funds returned to local account: Sum of LA receipts associated with CDBG-CV grant.

#### B. State CDBG Resources by Use

- Obligated to recipients: Sum of activity funding from the grant and the LA fund associated with that grant
- 5) Set aside for State Administration: Sum of activity funding for matrix code 21J. Note: If this amount is unexpectedly low, review that state admin activities are properly coded as 21J and not 21A. Note that for CDBG-CV funds, the requirement for matching state administrative funds has been waived.
- 6) Set aside for Technical Assistance: Sum of funding from activities where matrix code is 19H.

#### C. Expenditures of State CDBG Resources

- Drawn for State Administration: Total amount drawn from the selected grant and associated LA fund for activities with matrix code 21J.
  - Review for compliance: A state may use up to 5 percent of CDBG-CV funds for state administrative costs.
- 8) Drawn for Technical Assistance: Total amount drawn for activities with matrix code 19H.

- Review for compliance: A state may use up to 2 percent of CDBG-CV funds for technical assistance activities.
- Drawn for Section 108 Repayments: Total drawn for activities where matrix code is 19F, 19G, 24A, or 24C
- Drawn for all other activities: Total drawn for activities where matrix codes are not 19F, 19G, 19H, 24A, 24C, or 21J
- Disbursed for Coronavirus-related Activities: Total drawn for activities indicated in IDIS as being carried out to prevent, prepare for, and respond to coronavirus.
- 12) Disbursed for Activities Not related to Coronavirus: Total drawn for activities indicated in IDIS as NOT being carried out to prevent, prepare for, and respond to coronavirus. Review for compliance: This amount must be zero for the CDBG-CV grant.
- D. Compliance with Public Services (PS) Cap
  - Disbursed in IDIS for ALL PS: Derived from the net drawn from the selected grant for activities where matrix code is 05\* or 03T
  - 14) Disbursed for Coronavirus-related Public Services: Total drawn for public service activities indicated in IDIS as being carried out to prevent, prepare for, and respond to coronavirus.
  - 15) Disbursed for Public Services Not related to Coronavirus: Total drawn for public service activities indicated in IDIS as NOT being carried out to prevent, prepare for, and respond to coronavirus. This is a subset of line 12, and must be zero for CDBG-CV selected grants.
  - 16) Percent of funds disbursed to date for PS (line 13 / line1)
  - 17) Percent Disbursed for Coronavirus-related Public Services (line 14 / Line 1): There is not a percent limitation on the use of CDBG-CV grant funds for public service activities to prevent, prepare for, and respond to coronavirus.
  - 18) Percent Disbursed for Public Services Not related to Coronavirus (line 15 / line1): Review for compliance: This amount must be zero for CDBG-CV selected grants and must not exceed 15 percent for FY2019 and FY2020 annual CDBG grants.
- E. Compliance with Planning and Administration (P/A) Cap
  - Disbursed in IDIS for P/A from Grant: Total drawn from the selected grant for activities where matrix code = 19A, 19B, 20, 20A, 21A, 21B, 21C, 21D, 21E, 21F, 21G, 21H, 21I, or 21J

 Percent of funds disbursed to date for P/A (line 19 / line 1): In-report calculation. Review for compliance that does not exceed 20 percent pursuant to 24 CFR 570.489(a)(3)(ii) and III.B.6.(b)(vi)

#### F. Overall Low- and Moderate-Income Benefit

- 21) Drawn to Benefit LMI persons and households (minus nonaccountable amounts, line 22): Derived from the sum of draws for activities where national objective = LMA\*, LMC\*, LMJ\*, LMH\* minus Line 22 (nonaccountable) amount
- 22) Noncountable amounts drawn: Non-LMI Portion of LMH activities
- Drawn to Prevent/Eliminate Slum/Blight: Derived from net drawn for activities where national objective + SB(A, S, R)
- 24) Drawn to Address Urgent Needs: Derived from net drawn for activities where national objective = URG
- 25) Total disbursements subject to overall LMI benefit (sum of lines 21, 22, 23, and 24): In-report calculation = Total expenditures for LMI compliance
- 26) Percent Low and moderate income benefit, to date (line 21 / line 25): Review for compliance: Must be greater than or equal to 70 percent by the end of the period of performance of the CDBG-CV grant alone. Compliance with this requirement is separated from the annual formula CDBG program calculation of overall benefit [III.B.5.(d)(iv)].

#### Grant Financial Summary Review Checklist

 Line 7: Did the state comply with the state administration cap of 5 percent for CDBG-CV? [III.B.6.(b)(vi)]

Yes / No

Line 8: Did the state comply with the state technical assistance cap of 2 percent of CDBG-CV funds?
 [III.B.6.(b)(vi)]

Yes / No

Line 12: Did the state comply with the requirement to use CDBG-CV funds ONLY for activities
carried out to prevent, prepare for, and respond to coronavirus?
Note: When generated for CDBG-CV funds, line 12 must equal Zero. If generated for annual grants,
an amount will usually appear on line 12.

Yes / No

4. Line 18: ONLY review line 18 for FY2019 and FY2020 annual grant funds if the PR28 PER Financial Summary for those grants indicates that the public service cap might have been exceeded. Do not review line 18 for CDBG-CV funds. Did the state comply with the 15 percent public service cap on activities NOT carried out to prevent, prepare for, and respond to coronavirus for FY2019 and FY2020 annual grant funds?

Yes / No

Line 20: Did the state report compliance with the 20 percent cap on overall planning and administrative costs? [III.B.6.(b)(vi)]

Yes / No

 Line 26: Did the state comply with the overall benefit test by expending at least 70 percent of CDBG-CV funds for activities benefitting low- and moderate-income persons? [III.B.5.(d)(iv)] Note: CDBG-CV overall benefit is measured separately from annual grants. Additionally, compliance is fully determined at the end of the period of performance of the grant. Yes / No
