

CITIZEN PARTICIPATION PLAN

The Citizen Participation Plan (CPP) described in detail below is the CPP established for the State of Arkansas's five year Consolidated Plan, which covers the 2015 through 2019 Program Years.

Each Program Year affords Arkansas residents an opportunity to be involved in the process. Citizens have a role in the development of the Consolidated Plan, the Annual Action Plan, and the Annual Performance Report regardless of age, gender, race, ethnicity, disability, and economic level.

Purpose

The State of Arkansas developed a Citizen Participation Plan in order to establish the citizen participation efforts that would be carried out through the five year Consolidated Plan. The State understands the importance of public participation (including consultation with advisory groups) in the consolidated planning process. The CPP seeks to provide and encourage the participation of Arkansas citizens in the development of the Consolidated Plan; Substantial Amendments to the Consolidated Plan; each Annual Action Plan, and the Annual Performance Report. Emphasis is placed on encouraging participation and involvement by low and moderate income persons; residents of low and moderate income areas; residents of slums and blighted areas; individuals and organizations located where federal and state resources may be used; minorities and non-English speaking residents (including those with Limited English Proficiency); and persons with disabilities.

The CPP describes the process the State uses to collect public input and involve the public in the development of the Consolidated Plan; each year's Annual Action Plan; each year's Annual Performance Report; and for any Substantial Amendment to the overall Consolidated Plan. This Citizen Participation Plan was developed in accordance with Section 91.110 and 91.115 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations.

The purpose of the CPP is to provide citizens of the state of Arkansas maximum involvement in identifying and prioritizing housing and community development needs in the state, and responding to how the State intends to address such needs through allocation of the following federal grants: Community Development Block Grant (CDBG); HOME Investment Partnerships (HOME); Emergency Solutions Grant (ESG); and, Housing Opportunities for Persons with AIDS (HOPWA).

In order to receive these federal grant resources, HUD requires jurisdictions to submit a Consolidated Plan every three to five years. This Consolidated Plan covers a five-year timeframe from July 1, 2015 through June 30, 2020. The State's Consolidated Plan is a comprehensive strategic plan for housing and community development activities. The purpose of the programs and activities covered by this Consolidated Plan is to improve the state of Arkansas by providing decent housing, a suitable living environment, and growing economic opportunities, especially for low to moderate income residents.

Below are details on the citizen participation efforts and requirements for the Consolidated Plan, the Annual Action Plan, the Annual Performance Report, and any Substantial Amendment to the overall Consolidated Plan.

I. 2015-2019 Consolidated Plan

The State of Arkansas's Consolidated Plan is developed through a collaborative process between the Arkansas Economic Development Commission (AEDC), the Arkansas Development Finance Authority (ADFA), the Arkansas Department of Human Services (DHS), and the Department of Health (ADH). Citizen participation is another important part of the Consolidated Plan including developing and amending the Plan as well as providing input and comments on program performance.

Participation

The following provides detailed steps for citizen participation for the 2015-2019 Consolidated Plan.

Community Needs Assessment Survey—A Survey will be developed in order to assess the public's view on community needs throughout the state. This survey will be distributed to a wide range of stakeholders that include: public officials; housing advocates; developers; Development Districts; and other interested members of the public. The Community Needs Assessment (CNA) will be provided in both English and Spanish and available on the AEDC website.

Focus Groups—Several focus groups will be held throughout the state during the Spring of 2015 with a broad range of groups.

Stakeholder Interviews—A series of interviews will be conducted with key persons or groups who are knowledgeable about housing and community development needs in the state.

Public Hearings—During the 30-day public comment period at least one public hearing will be conducted in central Arkansas.

Public Comments—Written comments are accepted during the 30-day public comment period.

Substantial Amendments

AEDC reserves the right to make non-substantive changes to the Consolidated Plan, the Annual Action Plan, and Annual Performance Report without opening a public comment period. In some instances, program changes and public comments warrant an amendment to the Consolidated Plan or Annual Action Plan. A change to the Consolidated Plan or Annual Action Plan which constitutes a Substantial Amendment, must meet one or more of the following criteria:

- A substantial change in the described method of distribution of funds to local governments, non-profit organizations, or other eligible entities in order to carry out activities. A "substantial change" shall mean the movement between programs of more than 10 percent of the total allocation for a given Program Year's CDBG allocation, or a major modification to any Program. Elements of a "method of distribution" include:
 - the application process for local governments, non-profits, or other eligible entities;

- the allocation among funding categories;
- grant size limits; and
- criteria selection.
- An addition or deletion of a Priority;
- An addition of an Objective that was not consistent with an existing priority; or
- The deletion of an Objective that was previously included.

Notification of the availability of the Proposed Substantial Amendment will be completed through the following actions:

A summary of the comments received and a response to those comments will be included in the Final Substantial Amendment. After the State considers any comments, and prepares the Final Substantial Amendment, the Substantial Amendment will be submitted to HUD.

Changes in Federal Funding Level

Any changes in federal funding levels after the Consolidated Plan or Annual Action Plan's proposed comment period has expired, and the resulting effect impacts the distribution of funds, will not be considered an amendment or a substantial amendment.

IV. Requirements for Local Governments

Upon application for funding, local governments are required to submit a certification of a local citizen participation plan. Local citizen participation plans ensure that the units of local government are meeting the requirements of Title 24 of the Code of Federal Regulations Part 570.486. Notices for public hearings must identify each proposed project; project location, including target area boundaries, if any; proposed project activity; total project cost; and grant amount requested.
- Public hearings must be held at times and places convenient for affected citizens, potential or actual beneficiaries, and including persons with disabilities. Public hearings must contain bilingual communications for non-English speaking residents when they will be affected by a proposal and reasonable advanced notification is given to the local government.

Availability to the Public

The Consolidated Plan, each Annual Action Plan, each Annual Performance Report, and any Substantial Amendments will be available to the public. These materials will be modified for individuals with disabilities and those with Limited English Proficiency upon request as needed. AEDC will respond in writing to written citizen complaints about the Consolidated Plan, Annual Action Plan, Annual Performance Report, and Substantial Amendments. Citizen complaints should be submitted to the Arkansas Economic Development Commission. Complaints may also be received verbally, and by other means, as necessary where the AEDC determines that a citizen is not reasonably able to submit a written complaint due to a physical or intellectual impairment.
