BUSINESS REPORT**

# FOREIGN-OWNED BUSINESS IN ARKANSAS

The Arkansas Foreign Owned Business Report identifies Arkansas companies that are subsidiaries of foreign parents. Companies are arranged alphabetically by country of ultimate parent ownership. This list was prepared using the on-line version of Hoover's, Reference USA and corporate web pages. While every attempt has been made to make this list as complete as possible, some facilities in the state may have been inadvertently omitted. Employment estimates are used for all employers to ensure confidentiality

For additional information or to suggest corrections and/or additions, please contact: Arkansas Economic Development Commission at (501) 682-1121.
