0This project extended the James Fork Regional Water District in Scott County by installing approximately 22 miles of 3" and 4" waterline, a pump station and a water storage tank to service residents of East of Waldron along Highways 80 and 250. The water sources for this district are the James and Poteau Rivers where it is treated. USDA-RD contributed \$2,250,000 toward the project. Scott County contributed \$12,000. Of the 338 residents of this area, 208 are considered to be of low to moderate income for a benefit of 61.53%. This project was completed on 8.26.2019. This activity was closed on 3.24.2020. Unused funds in the amount of \$116,905.25 have been deobligated. This activity is paired with 11817 and 12678.

Description:

This project will construct water line extensions to service residents in and around the City of Berryville.

The total cost of this project, including administrative fees and LMI plumbing costs, is \$8,834,000.00. This CDBG project will provide \$500,000.00 of that funding.

Contingent upon 2016 availability an additional \$2,250,000 may become available.

Although not bound by this Agreement, the USDA-RD has indicated a willingness to participate by providing a loan in the amount of \$1,681,000 and a grant in the amount of \$3,798,000.

Additionally, the City of Berryville will provide \$605,000.

Approximately 60% of households in this area meet HUD LMI standards.

This project will provide safe and dependable potable water supply for these LMI citizens.
